ORDER:

The Principal Chief Conservator of Forests (Head of Forest Force), Andhra Pradesh in his letter 1st read above, had submitted a proposal under Forest (Conservation) Act, 1980, for diversion of 4.83 ha. (i.e. 2.66 ha. for mining + 1.00 ha. for dumping area + 0.80 ha. for safety zone area + 0.37 ha. for approached road area) of forest land for extraction of Black Granite in Comp.No.212 of Paradarami R.F. of Chittoor (West) Division, in favour of M/s. Sai Joshitha Granites Propt:Smt. B.Prathima, Piler and requested to forward the same to Government of India, Ministry of Environment, Forests, & Climate Change, for according necessary approval under Section-2 of Forest (Conservation) Act, 1980.

2. The said proposal was sent to Government of India, Ministry of Environment, Forests, & Climate Change, for their approval under Section-2 of Forest (Conservation) Act, 1980 vide State Government letter 2nd read above.

3. Government of India, Ministry of Environment, Forests, & Climate Change, vide their letter 3rd read above, have accorded in principle (Stage-I) approval under Section-2 of Forest (Conservation) Act, 1980, for the proposal, subject to compliance of certain conditions as stipulated therein.

4. Accordingly, the State Government vide letter 4th read above, have furnished the compliance report on the conditions stipulated by the Government of India Ministry of Environment, Forests, & Climate Change, while according in-principle (Stage-I) approval.

5. Government of India, Ministry of Environment, Forests, & Climate Change in their letter 5th read above, have accorded (Stage-II) approval under Section- 2 of Forest (Conservation) Act, 1980, for diversion of 4.83 ha. (i.e. 2.66 ha. for mining + 1.00 ha. for dumping area + 0.80 ha. for safety zone area + 0.37 ha. for approached road area) of forest land for extraction of Black Granite in Comp.No.212 of Paradarami R.F. of Chittoor (West) Division, in favour of M/s. Sai Joshitha Granites Propt:Smt. B.Prathima, subject to compliance of certain conditions as stipulated therein.

6. Government, after careful examination of the proposal, hereby accord permission to the Principal Chief Conservator of Forests (Head of Forest Force), Andhra Pradesh for diversion of 4.83 ha. (i.e. 2.66 ha. for mining + 1.00 ha. for dumping area + 0.80 ha. for safety zone area + 0.37 ha. for approached road area) of forest land for extraction of Black Granite in Comp.No.212 of Paradarami R.F. of Chittoor (West) Division, in favour of M/s. Sai Joshitha Granites Propt:Smt. B.Prathima, Piler, subject to the following conditions:-

- i. Legal status of the diverted forest land shall remain unchanged;

- ii. Compensatory afforestation over an extent of 4.50 ha (out of 5.483 ha which has been transferred in favor of forest department) of the identified non forest land in Sy Nos 184/3 - **3.85 acres**, in Sy no 184/4 - **3.05 acres**, in Sy No 184/5-2 - **2.75 acres** and in Sy No 186/ 6- **3.90 acres** of Mallakalva (V) of Dharmavaram (M) of Ananthapuram shall be raised and maintained by the State Forest Department, **from the funds which has already been realized from the User Agency**;
- iii. At least 1000 plants /ha shall be planted in the non-forest land identified for compensatory afforestation and in case, the required numbers could not be planted therein, the balance shall be planted in the nearby degraded forest land identified by the State Forest Department at the cost of the User Agency;
- iv. The Non-forest land which needs to be transferred and mutated in favour of the State Forest Department for the purpose of compensatory afforestation shall be declared as Reserved Forest under Section-4 or Protected Forest under Section-29 of the Indian Forest Act, 1927 or under the relevant Section(s) of the local Forest Act. The Nodal Officer must report compliance within a period of 6 months from the date of grant of final approval and send a copy of the original notification declaring the non-forest land under Section 4 or Section 29 of the Indian Forest Act, 1927, or under the relevant section of the local Forest Act as the case may be, to this office for information and record;
- v. Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the User Agency;
- vi. No labour camp shall be established inside the forest area and the dugout material shall be dumped only in the area proposed for dumping and not in the nearby forest area;
- vii. In case of the mining leases adjoining the habitation stretch, the boundary of the safety zone of the lease adjacent to the habitation/roads should be properly fenced by the User Agency at the project cost to protect the vegetation/ regeneration activities in the safety zone;
- viii. The Safety zone shall be maintained as a green belt around the mining lease and to ensure dense canopy cover in the area, regeneration activity shall be taken in this area by the State Forest Department, **from the amount which has already been realized form the User Agency**;
- ix. The State Forest Department shall carry out afforestation and its maintenance on degraded forest land, to be selected elsewhere measuring one and half times the extent of the safety zone, **from the amount which has already been realized form the User Agency**;
- x. The State Forest Department shall undertake gap planting and soil & moisture conservation activities to restock and rejuvenate the degraded open forest (having crown density less than 0.4), located in the area within 100 meters from outer perimeter of the mining lease, **from the amount which has already been realized form the User Agency**;
- xi. The User Agency shall undertake mining in a phased manner and take due care for reclamation of the mined over area. The concurrent reclamation plan shall be executed by the User Agency in a phased manner as per the approved mining plan/ scheme and an annual report on implementation thereof shall be submitted to the Nodal Officer, Forest (Conservation) Act,

1980, Government of Andhra Pradesh and the Addl. Principal Chief Conservator of Forests (Central), Ministry of Environment & Forests, Regional Office (South Eastern Zone), Chennai. If it is found from the annual report that the activities indicated in the concurrent reclamation plan are not being executed by the User Agency, the Nodal Officer or the Addl. Principal Chief Conservator of Forests (Central) may direct that the mining activities shall remain suspended till such time, such reclamation activities are satisfactorily executed;

- xii. Mining shall be done in the forest area in accordance with the approved mining plan from the competent authority and mining area shall not be opened up haphazardly;
- xiii. Period of diversion of the said forest land under this approval shall be for a period **co-terminus** with the period of the mining lease proposed to be granted under the Mines and Minerals (Development and Regulation) amendment Act, 2015, or Rules framed there under. A copy of the mining lease, once obtained, shall be sent to this office for record;
- xiv. The User Agency shall obtain Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986;
- xv. Consent of the State Pollution Control Board shall be obtained under the Air and Water Act before commencement of mining operations and it shall be renewed periodically;
- xvi. The User Agency shall provide firewood, preferably alternate fuel to the labourers and the staff working at the site so as to avoid any damage and pressure on the adjacent forest areas;
- xvii. Layout plan of the proposal shall not be changed without prior approval of the Central Government;
- xviii. The User Agency and the State Government shall ensure compliance to all the Acts, Rules, Regulations and Guidelines of the Ministry, for the time being in force, as applicable to such project;
- xix. The diverted forest land shall not be used for any purpose other than that specified in the proposal and total forest area utilized for the project shall not exceed **4.83 ha** (including safety zone area). The User Agency shall furnish an undertaking to this effect;
- xx. The forest land diverted shall under no circumstances be transferred or sublet to any other agency or Department or person without prior approval of the Central Government;
- xxi. A comprehensive monitoring shall be done at the end of five years to study the impact of mining. If it is found that the lessee has violated or is not complying with the stipulated conditions, then the approval given under the Forest (Conservation) Act, 1980 shall be revoked;
- xxii. The User Agency shall submit an annual self compliance report in respect of the above conditions to the Regional Office of the Ministry and to the State Government;
- xxiii. Any other condition that the Additional Principal Chief Conservator of Forests (Central), Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the User Agency;

xxiv. In the event of failure to comply with any of the above conditions the User Agency is liable for penal action as decided by the Additional Principal Chief Conservator of Forests (Central), Regional Office, Chennai;

7. The Principal Chief Conservator of Forests (Head of Forest Force), Andhra Pradesh, shall take further necessary action in the matter accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
